Attractions: Bundaberg is a beautiful city of about 70,000 people surrounded by small crops, sugar cane and large scale macadamia farming. The country is mostly flat but very interesting with a myriad of well maintained roads criss crossing the region, with hardly any traffic for the majority of the time. Bundaberg is also very close to the world famous Turtle hatchery at Mon Ropos, and the tourist destinations of Bargara and Woodgate. The hinterland includes beautiful and historic towns of Childers and Gin Gin. Bundaberg is also of course famous for the location of the Bundaberg Rum Distillery, and Bundaberg Brewed Drinks, both of whom sell their products on the world stage. Weather at that time of the year is almost perfect, with days in the low to mid 20s and nights around 15 degrees, with very little chance of rain during the rally.
