

USING IMPROMPTU RIDES

The Queensland Transport Dept. has introduced an Impromptu Rides facility within the SIVS (Club Rego) scheme.

The conditions for creating an Impromptu Ride are:

- you must be a Historic Vehicle Club member – i.e. a financial member of HMCCQ
- you must register the ride event in advance.

HMCCQ has set up a **Facebook** Closed Group, called HMCCQ Rides, where Impromptu Rides may be registered.

You will need to join **Facebook** as an individual before you can join the **Facebook** HMCCQ Rides group.

If you do not wish to join **Facebook** you will need another member to register the ride on your behalf.

To join **Facebook**, on your PC or mobile device, search using "sign up for Facebook" and follow the link, or enter into your browser address bar: <https://www.facebook.com/r.php>

Once you have a **Facebook** account, you can request to join the HMCCQ Impromptu Rides Group.

This can be done via the **Facebook** link located below the left-hand menu on the Home page of the HMCCQ website at <http://www.hmccq.org.au>

On the Facebook HMCCQ Rides page, click on the button "**Join Group**" (it's just below the photo), fill in your details, then "**Submit**".

Our **Facebook** Administrator will check that you are a current member and if so, Accept your request.

You may remain a member of the Group as long as you are a financial HMCCQ member.

To register a ride, go to the **Facebook** HMCCQ Rides page and click on "Events" button located on the left side of the page. Then click on the "**Create Event**" button.

Enter the Event details and press "**Create**".

You are good to go. Stay safe.

PS: If you are sick of the never ending stream of ride invitations and wish to turn them off, click on "Notifications" at the foot of the Facebook main picture, then on the drop down window, click "Off". You can turn it back to "All Posts" at any time.
